WHO WE ARE

Local access. Accountable coordination.

An independent sourcing and commission agency in Faisalabad, rooted in a family weaving background. We help buyers source from the right mills and coordinate development, quality and shipment. Because we are not a single factory, every program goes to the supplier that best fits its product, quantity, finish and delivery date.

HOW WE WORK

Five stages. One point of contact.

01 Define
Specs, quantity and timeline agreed

02 Match
Mills shortlisted for your quality

03 Approve
Samples, lab dips and approvals

04 Execute
Production and testing followed

05 Deliver
Final checks, packing, documents

WHAT YOU CAN EXPECT

- One accountable contact from brief to dispatch
- Focused updates on development, production and shipment
- Quality checks before goods leave the mill
- Early escalation, so issues are solved before shipment

OUR SPECIALITIES

Woven fabrics & hotel linen
