

PREMIUM CORPORATE BROCHURE

01 • COMPANY

A dependable sourcing presence in Pakistan.

R.N. Textiles was established in 2005 in Faisalabad. Rooted in weaving heritage and long-standing manufacturing relationships, we support international buyers with technical understanding, transparent coordination and disciplined execution.

02 • YARN & FABRICS

From yarn selection to finished fabric readiness.

Cotton, PC and CVC routes; compact and conventional yarns; greige and finished fabrics; percale, sateen, stripe sateen, twill, drill, half panama and customised constructions.

03 • JACQUARD

Texture, pattern and premium decorative character.

Jacquard-woven constructions for decorative, furnishing, home-textile and selected apparel applications, developed according to design, colourway, construction and end-use requirements.

04 • HOME & HOSPITALITY

From fabric construction to the finished-room experience.

Bedsheets, fitted sheets, pillowcases, duvet covers, hotel linen, coordinated room textiles, customised dimensions, stitching, labelling and packaging.

05 · TERRY & TABLE

Coordinated programs for hospitality and retail.

Yarn-dyed striped towels, bathrobes, bath and hand sizes, GSM and border options, plus printed and solid tablecloths, runners, napkins and decorative linen.

Illustrative imagery. Product, facility, test and certification scope is confirmed for each program.

Performance-focused textiles for demanding applications.

Routes for flame-retardant, water-repellent and anti-static requirements, along with workwear fabrics, uniforms, high-visibility programs and application-specific testing.
