

FIGURED WEAVING · BEDDING · HOSPITALITY · DÉCOR

Jacquard & Dobby Fabrics

Dobby micro-patterns and geometrics for refined hotel and home bedding; jacquard damask, geometric and decorative designs for premium bedding, drapery and upholstery — developed from your artwork or our design directions.

- ◆ Dobby: diamond, geometric, box / windowpane, textured
- ◆ Jacquard: damask, floral, geometric, stripe, check
- ◆ Woven matelassé coverlets and waffle / honeycomb
- ◆ White-on-white hotel looks or yarn-dyed colourways

Dobby

Reference quality	Yarn (Ne)	EPI × PPI	Thread count	GSM*	Weave	Ref.

Send us for an accurate quotation

- Artwork, photo or physical sample of the design
- Repeat size, colourways and yarn-dyed or piece-dyed route
- End use (bedding, drapery, upholstery, table linen)
- Target width, GSM and finish
- Quantity per design / colourway and delivery date

Programme options

- Design development and strike-offs before bulk
- Cotton, cotton-rich and blended compositions
- Stripe-sateen jacquard for hospitality programmes
- Finished fabric or cut-and-sewn made-ups

From design to loom. Pattern feasibility depends on repeat size, harness capacity and density — we confirm the weaving route with the mill before you approve the strike-off.

* GSM ranges are indicative greige/finished references from the R.N. Textiles 70-quality library. Final construction, width, weight and finish are confirmed with the selected mill and approved by physical sample. Certifications (e.g. OEKO-TEX®, GOTS, BSCI, Sedex/SMETA) are held by supplier mills and confirmed per facility, product scope and validity. This sheet is a reference, not a quotation or stock offer.
